3. Webs and Graphics Designer
4. Quality Analyst

6. Scope of Work

6.1. Website Features

Website will have the following features:

User Front-end:

1. Home Page before login:

- Whenever the user opens the website, the pop up of the video will appear related to the website.
(the client will provide the video)
- The user can close the video and return back to home page.
- User will be able to explore the home page, which includes the following details:
 - Game Logo – this will appear at the top left corner of the webpage.
 - There will be text, which will be scrolling continuously from right to left on the home page.
 - Current date and Time – this will appear at the top – left corner of the webpage.
 - Login - - button:
 - This will lead the user to Sign In page.
 - Register - - button:
 - This will lead the user to sign up page.
 - Facebook Page – user can view the page of the website.
 - Language Selection:
 - The website will support two languages.
 - User can select any of the given language:
 - ✓ English
 - ✓ Malay
 - The default language will be English.
 - Deposit, withdrawal and transfer link:
 - Clicking on these links should verify two things:
 - ✓ User will need to login first to access their account.
 - ✓ After Login, it should verify that user has the bank account or not, if not, then it will lead the user to register bank account page and if yes, then it will lead the user to particular webpage.

- Click on any link, will lead the user to particular webpage.
- Home - - button:
 - This is a default webpage.
 - Click on this, will lead the user back to home page.
- Sport book, Live Casino, Lottery - - button:
 - All these will have the coming soon sticker.
- Slot Game - - button:
 - This will lead the user to Slot Game Page. (Page no: 2)
- Promotion - - button:
 - This will lead the user to Promotion Page. (Page no: 3)
- Banking Information - - button:
 - This will lead the user to Banking Information Page. (Page no: 5)
- Download - - button:
 - This will lead the user to Download Page. (Page no: 6)
